

Class of 94
STC MT. LAVINIA

Message from the President of the Class of 94

It is indeed a pleasure to finally launch the Sound Mind Sound Body programme at S. Thomas' College Mount Lavinia in 2014, in the twentieth anniversary year of us departing college.

We started this process in 2012, and with careful guidance, making sure we engaged with every stakeholder, the Class of 94 has created a programme that will stand the test of time and contribute to continue producing Thomians of distinction.

My son will join school in a few years, and along with the rest of the parents of the Class of 94, we feel more confident that their time at S Thomas' will be as free from abuse as possible.

My daughter is at Ladies College, and I echo the sentiment of the Bishop of Colombo, and hope that we will be able to soon replicate this age appropriate programme in our church schools.

We look forward to the future with confidence.

Shehan Perera
President,
